

TECHNICAL RIDER
2026 · V2

SANTIAGO, CHILE
INFORMATICNUKE.CL

DJ & PRODUCER

TECHNICAL RIDER.

PEAK TIME · INDUSTRIAL · SCHRANZ

Working document for production and sound. Two CDJs, one mixer, a booth monitor that can be trusted — everything else is negotiable.

ARTIST

InformaticNuke

PLAYBACK

USB · Rekordbox

SET LENGTH

60–90 min

CONTACT

informaticnuke@gmail.com

SETUP.

Standard club/festival booth. If the venue runs an equivalent AlphaTheta/Pioneer configuration, it works — please confirm in advance so the USB export matches.

PREFERRED SETUP

- :: 2 × Pioneer CDJ-3000X / CDJ-3000 / CDJ-2000NXS2
- :: 1 × Pioneer DJM-V10 / DJM-900NXS2 / DJM-A9 or equivalent
- :: USB inputs enabled on the CDJ/XDJ units
- :: CDJs linked to each other via the Link port

ACCEPTABLE ALTERNATIVE

- :: XDJ-XZ / XDJ-AZ
- :: XDJ-RX3 / XDJ-RX2
- :: Equivalent AlphaTheta/Pioneer all-in-one

MONITORING & BOOTH

- :: Booth monitor independent from the main PA
- :: Surface for 2 CDJs + mixer with clear front access
- :: Monitor level control reachable from the booth
- :: Booth lighting bright enough to read the screens
- :: Stable, vibration-free booth at working height (95–110 cm)

OPERATION

FORMAT	USB · Rekordbox Export	TEMPO	140 – 180 BPM
SET LENGTH	60–90 min	ARTIST BRINGS	Headphones + USB
STYLE	Peak time · Industrial · Schranz	LAPTOP	Not required

If the venue cannot provide the listed equipment, let us know in advance – the USB export is prepared for the specific gear on site.

REFERENCE.

The two configurations this rider covers. Reference images only — the exact model may vary as long as the standard is kept.

SETUP A · 2 × CDJ + MIXER

PREFERRED SETUP

Shown: Pioneer CDJ-3000 × 2 + 4-channel mixer

SETUP B · ALL-IN-ONE

ACCEPTABLE ALTERNATIVE

Shown: AlphaTheta/Pioneer XDJ-AZ

ON SITE.

Nothing exotic. Confirm set time and on-site contact in advance and the rest takes care of itself.

LOGISTICS

- :: Soundcheck time before the set
- :: Artist arrives at least 45 min before the set
- :: Set time and stage/booth confirmed on arrival
- :: On-site technical contact reachable before doors

BOOTH DRINKS

- :: With alcohol: Tropical Gin, or pisco (pisco with regular Coca-Cola)
- :: Without alcohol: Monster Ripper or Monster original
- :: If no Monster: Red Bull original
- :: If none of the above: still water

NOTES

- :: The DJ brings his own headphones
- :: The DJ brings a USB drive with music exported from Rekordbox (for CDJ/XDJ)
- :: No laptop, controller or external hardware is used

ACCESS & SPACE

- :: Booth and backstage access for the artist +1
- :: 2 guest-list entries — to be confirmed per event
- :: Secure place for a backpack during the set
